Groundbreaking for New Church School Announced

Groundbreaking ceremonies for the new seven-room Episcopal Church School will be presided over Sunday, Nov. 26, by Donald K. Campbell, suffragan bishop of the Episcopal Diocese of Los Angeles.

Announcing the ceremonies this week, Rev. Arthur E. Bello, rector of St. Andrew's Episcopal Church, said the groundbreaking would begin after the confirmation services at 11 a.m. The new two-story building will be immediately in front and adjoining the present parish hall on Engracia avenue.

The church school will have seven rooms and an office for the rector. The first floor will have a 50-foot room which can be divided into three classrooms by means of accordion doors. Rev. Bello said.

The building will be constructed as funds permit, he said. About 50 per cent of the funds have been raised to date. Men of the parish, under the direction of Jack Miller and Frank Church, senior wardens, will do a majority of the building.

Dedication service for the new parsonage of First Lutheran Church will be held Sunday, November 5, at 3:30 p.m. in the church, corner of Aacia and Sonoma. Rev. Luther Sherer of First Lutheran Church at Inglewood will be the speaker.

The building of the new parsonage was under the supervision of one of the members, Owen Dick, and much of the labor was donated by men of the church. The former parsonage has been converted into Sunday school rooms for the primary department. It was the need for more space for the growing Sunday school which necessitated the building of the new parsonage.

Adam and Fallen Man is CS Topic

"Adam and Fallen Man" will be the Sunday Lesson-Sermon subject in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The Golden Text, chosen from Hosea, reads, "O Israel, return unto the Lord thy God; for thou hast fallen by thine iniquity."

According to John's Gospel, when the disciples saw the man that was born blind, they said unto Jesus, "Master, who did sin, this man, or his parents, that he was born blind? Jesus answered, Neither hath this man sinned, nor his parents; but that the works of God should be made manifest in him. . . . And he anointed the eyes of the blind man with the clay, and said unto him, Go, wash in the pool of Siloam. . . . He went his way therefore, and washed, and came seeing."

In "Science and Health with Key to the Scriptures," Mary Baker Eddy says, "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies, and giving a better understanding of Soul and salvation."
